Dear Mr. Welsh:

This is in response to your e-mail dated March 14, 2019, concerning your Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) Freedom of Information Act (FOIA) request #19-00512-FOIA, for:

"A respective copy of any and all style guides that govern how CDC creates and formats information graphics and data visualizations."

A search is currently being conducted by program staff for the documents you requested. When the search is completed, a thorough document review will be conducted by the CDC FOIA staff, and all releasable records will be provided. At this time, we are unable to give you an exact timeframe for completion of your request. **Please be assured, however, that a response will be sent to you as quickly as possible.**

You may check on the status of your case by going to our FOIA webpage at www2a.cdc.gov/od/foiastatus and entering your request number. The fiscal year is the first two numbers and the request ID is the second set of numbers.

If you have any questions regarding your request, please contact Irma Diaz at 770-488-6310.

Sincerely,
